

# Snowshoe Tours

The Gallatin National Forest will be offering free public snowshoe tours on the following Fridays in 2004: January 2, 16, 30, February 13, 27; and March 12.

Learn about winter wildlife ecology, track identification, and the history of Refuge Point. Snowshoe tours will be 3 miles and will last approximately 2.5 hours. Tours are for intermediate-level snowshoers, and can be strenuous depending upon snow conditions and weather.

Meet at the Forest Service parking lot in West Yellowstone @ 10:30 a.m. Snowshoers will caravan in their own vehicle to Refuge Point off Highway 287 23 miles northwest of West Yellowstone.

Please dress appropriately for several hours of activity in snow and cold. Please bring snowshoes, water, lunch and sunscreen. Participants may also find binoculars & a camera useful.

For more information call Joanne Girvin 406-823-6965 or Andy Pils 406-823-6967
